If that makes it easier, it's fine with me.

Quick question...thought last week we said all the Favorites would be charged to 10N? Maybe I mis-heard. Sorry to bug you.

Hi Julie,

I've attached a list of the staff that have been deployed to assist with the Gold King Mine response. Can we have the following account added to their favorites?

I'm starting to draft a quick guidance of how staff need to charge their time that we will want to include, so if I can get notified once they are created I can include this language with a note to staff that the accounts are established. Thanks!
